Pearson Edexcel International GCSE	Centre Number	Candidate Number
Economic Paper 1	:S	
Monday 4 June 2018 – Aft Time: 2 hours 30 minute		Paper Reference 4ECO/01R

#### **Instructions**

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- Answer all questions.
- Answer the questions in the spaces provided
  - there may be more space than you need.

### Information

- The total mark for this paper is 120.
- The marks for each question are shown in brackets
  use this as a guide as to how much time to spend on each question.
- Calculators may be used.

### **Advice**

- Read each question carefully before you start to answer it.
- Try to answer every question.
- Check your answers if you have time at the end.

Turn over ▶

## Answer ALL questions. Write your answers in the spaces provided.

Some questions must be answered with a cross in a box  $\boxtimes$ . If you change your mind about an answer, put a line through the box  $\boxtimes$  and then mark your new answer with a cross  $\boxtimes$ .

1 Figure 1a represents the UK market for ice cream.

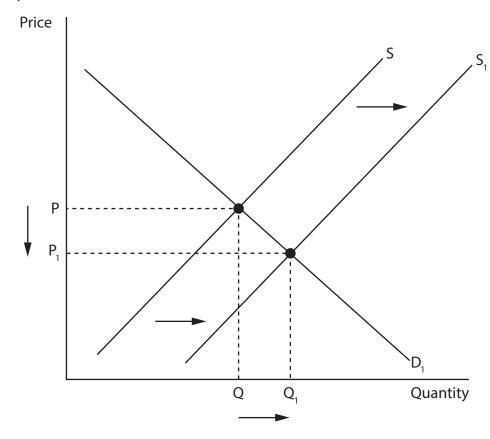

Figure 1a

(a) (i) In Figure 1a the change in price from P to P<sub>1</sub> is most likely to have been caused by

(1)

- A an increase in costs.
- **B** an increase in indirect tax.
- **C** an increase in demand.
- **D** an increase in productivity.
- (ii) Explain the reason for your answer to a (i).

(2)

(3) (1)	t is meant by 'price elasticity of supply	y :	(2)
